# Writing: Thank a Farmer

Dear Farmer \_\_\_\_\_,

We are writing this letter to say thank you for giving us fresh delicious dairy foods. We really love drinking \_\_\_\_\_ because it is \_\_\_\_\_ and makes us feel \_\_\_\_\_. Another dairy food we enjoy is \_\_\_\_\_ because it makes a \_\_\_\_\_ snack. We know that you work very hard on the farm and take good care of your cows. Thanks again for the yummy \_\_\_\_\_.

Your biggest dairy fans,

\_\_\_\_\_

Carter
